

WELCOME TO FOLDOLOGY!

Fold each sheet into a 4x4 square so that:

- ▶ **one side** shows the completed picture
- ▶ **the other** has only the dark-colored squares

Solution: Puzzle 1

Tips:

- ▶ You only need to make **horizontal, vertical, or diagonal** creases.
- ▶ **Press firmly** and **use the grid lines** to make sharp, neat creases.
- ▶ But, don't worry if your folds aren't perfect.

HAPPY FOLDING!
